Ep. 46. Post-Valentine's Day

Now-
clap

Now-
The first post-Valentine's Day reflection will now begin!
Ehh?

Isn't it a bit late to talk about
Valentine's Day now?
Yeah, you are a bit behind
Hey...
Don't be like that...
I'm curious about Mira's first Valentine's Day! I want to know!!!
Me?
I also want to hear Mira's story
"Is this the chocolate of love
handmade by my Mira-ssi?"
Imitat de Pyung-Hwa's hair
"of course
Let's celebrate our 52nd day anniversary together, Pyung-Hwa-ssi."
HUHUHUHU
OMG

Oi, you may make fun of me but not my man..
Just kidding!

WHEN A GIRLFRIEND GIVES HANDMADE FOOD...
...TITLE SAYS IT ALL.
HOW DO MEN FEEL ABOUT IT?
OF COURSE I'D BE MOVED BY THE EFFORT. ENDLESS TEARS.
A GIFT FROM THE HEART IS THE BEST.
I'D START SEEING THE GIRLFRIEND DIFFERENTLY. LIKE, REALIZE THERE'S A DOMESTIC SIDE TO HER.

Mira-ssi, so there was this side of you...!
I like domestic women
I am deeply moved
KYA—AA
Of course!! This is it—!! Since it's our first Valentine's Day together, I should put in more effort, right?
I think Yeo-Reum and Jung Ah are going to make some this year too I should ask to join them
4 Days Before V-Day
WHAT?!
What is this...

DIFFERENTLY. LIKE, REALIZING THERE'S A DOMESTIC SIDE TO HER.

↳ BUT IT'S MUCH BETTER TO JUST BUY FROM THE STORE.

↳ YEAH...TASTE IS SO MUCH BETTER IF YOU BUY IT...AND IF THEY LOOK WEIRD, IT CANT BE A BIT EMBARRASSING TO CARRY AROUND...

↳ I SUGGEST BUYING IT IF YOU ARE NOT CONFIDENT WITH COOKING. IT'S HARD TO EAT TASTELESS FOOD DELICIOUSLY...

Hello?
SWEETIE, IT'S ME!
I know. What is it?
NO FUN~
HEY, WHAT ARE YOU GOING TO DO FOR VALENTINE'S CHOCOLATE?
I'm going to buy a pretty one...
You're gonna buy??
I thought you were going to make it since it's your first Valentine's Day together. Let's do it together!
I DON'T FEEL CONFIDENT - BOTH IN TASTE AND PRESENTATION...T_T
I'll help you! I don't know about the look, but the taste will be great!!!
Day Before V-Day
Please teach me well...
Very well.
Hahaha

tick tock

Chocolate Chiffon Cake!!
Chocolate + Nuts Pound Cake!
CHOCOLATE MERINGUE COOKIE WITH MACADAMIAS...

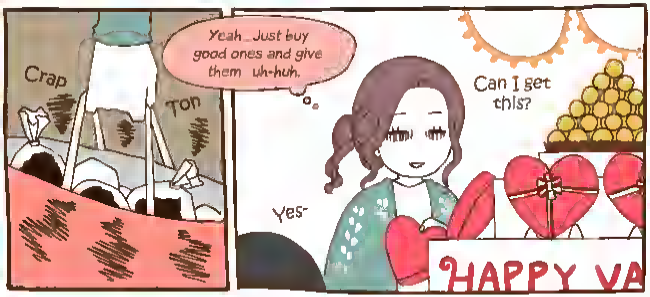
Don't forget this!!



Crap

Yeah. Just buy good ones and give them uh-huh.
Can I get this?
Yes~
HAPPY VA

I met Ju-Na in the morning and got this.
She had extras from when she made them for her boyfriend
Don't get the wrong idea~?
It's fine... Ju-Na is very sincere
It does show sincerity, but
It's more fascinating how you can make this from scratch.
Handmade chocolate.
Umm...
Pyung-Hwa-ssi-
here..!

?

I... made this myself...
The presentation may be off, but it tastes good... So if you like
Wow...
The shape takes my breath away...

The timing isn't right...
Oppa would like this kind of cake... Ugh... Personally, I don't like it very much.
Woof Woof
Oh, Lala
Hello? Hello?
Ah.
pant pant

Hello.
Ah. Hello.
Hesitating about if she should say she broke up with Jung-Sung.
Hahaha...
AWKWARD
Hesitating about how to cheer her up after hearing about the break-up with Jung-Sung
...Did you go shopping? ^^;;
Ah... Yeah. ??
Ah.
Wow - Did you get chocolate for Valentine's Day?
CHOCO
Uh ..Huh? No, not at all, I just bought this for myself...

—There were chocolates on sale everywhere because it's Valentine's Day

Makes sense—

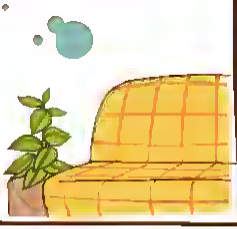
I see—

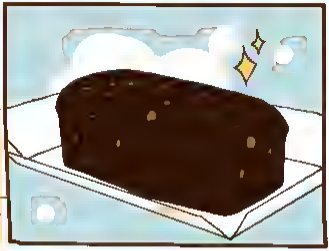
I— I'm sorry—

Are you crying??

Here. This is handmade. Would you like to try it—?

Oh. Thank you





No one is going to eat this, but for some reason, I couldn't give it to him...

I'm going to eat it all and savor every bite!!

...Lala...

Did you really have to poop now—?

Urgh

YOU NEED TO GET A FULL-TIME JOB!!!!
I'm off to my part-time job
Let's give the really nicely baked cake to dear Sang-Hoon and chuck the made-by Jang Mira poo cookies to my co-workers at the cafe!
Kekeke
It's good enough for those poor kids without girlfriends, so they can't blame me as long as it tastes fine
I'm so kind
Would he brag about it at work if I give it at lunchtime...??
You have a great girlfriend, Sang Hoon-ssi!! So jealous
Haha
Sang-Hoon
Good morning, Sun-Oh!!
Oh. Hi.

Got something for me?
Give it to me now
Something dark and sweet!
Huhu, you
Speaking of which
I already prepared chocolates for you pitiful people
I'll leave them in the showcase, so share them with Su-Neung later
Oh- Our admirer, Yeo-Reum
I'm going to eat it after Su Neung tries it first.
Is it poisoned?
Then don't eat it
cake NOTHING
I'm going now!
See you!
Bye Noona~

This morning, Yeo-Reum said that she put chocolate in the showcase.
It's ours.
Oh yeah! Let's eat then!

I left Sang-Hoon's cake behind.

Yay! You came to see me?
Wow, what is it??
For me??
Thanks
Sang-Hoon-ssi, what did you get from your girlfriend?

Why did you stop there? What happened next?
Say more
A-And that concludes the first post-Valentine's Day reflection!

THE STORY OF SOMEONE WE KNOW

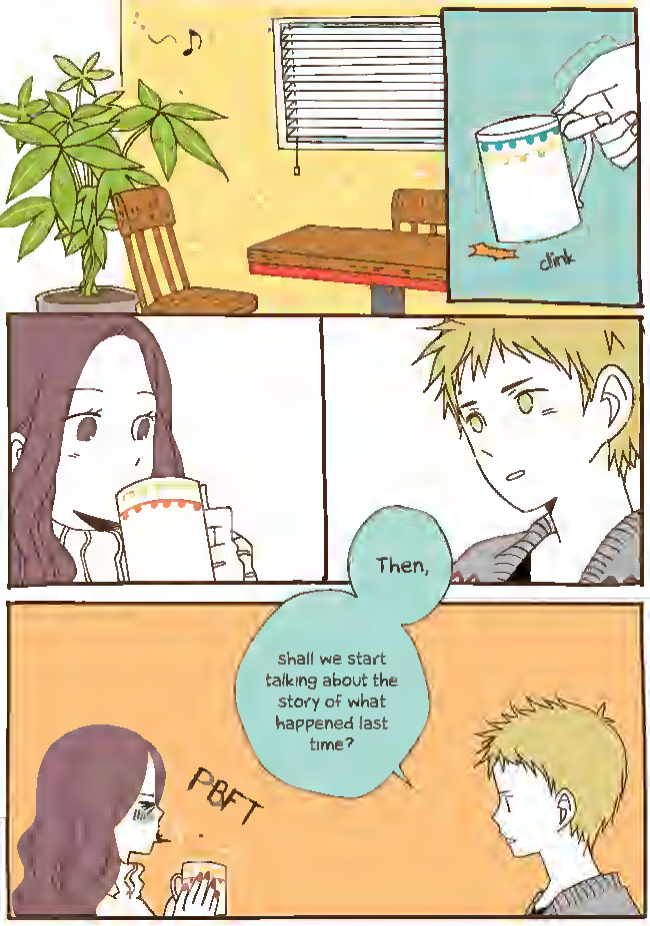
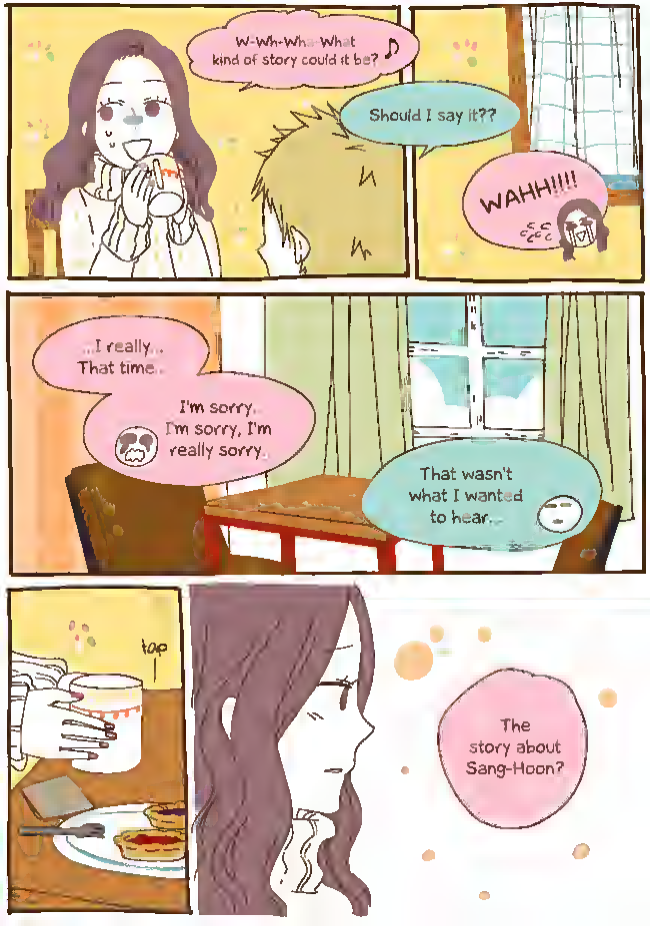
아는사람이야기

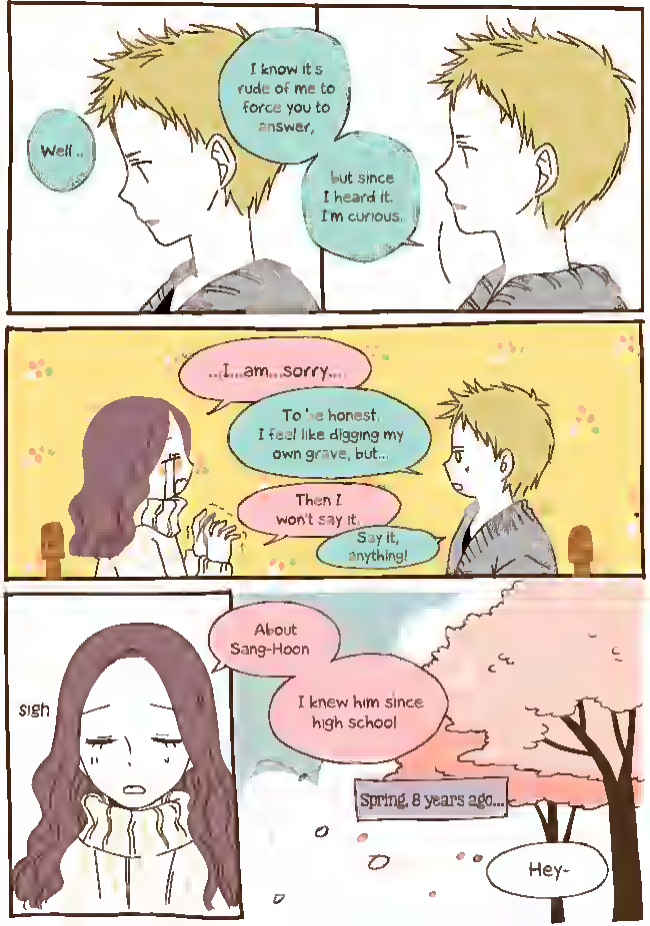
Ep. 48. Then and Now



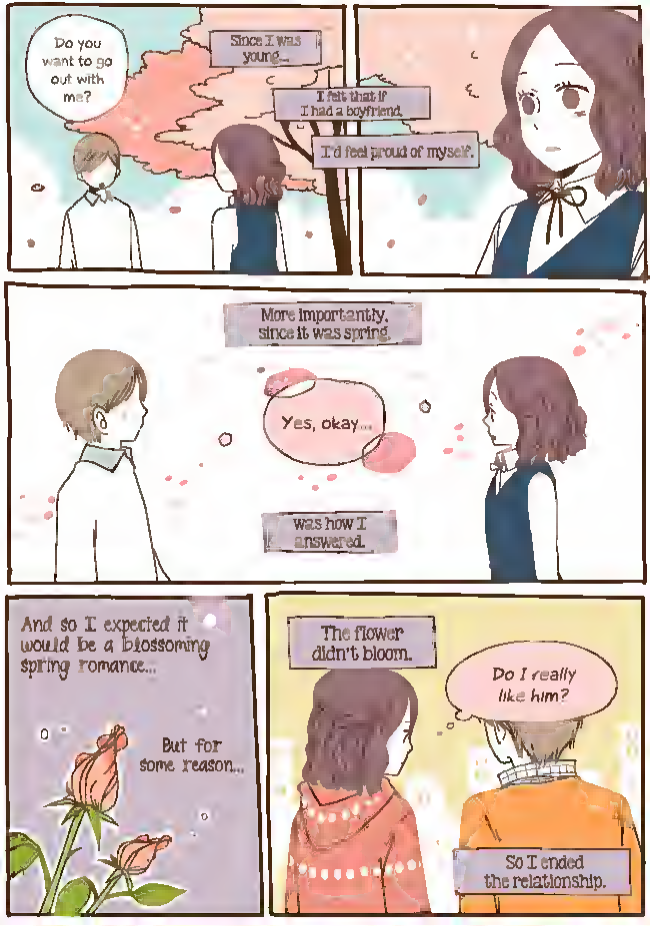
clink
Then,
shall we start talking about the story of what happened last time?
PBFT



W-Wh-Wh-What kind of story could it be?
Should I say it??
WAHH!!!!
...I really.. That time..
I'm sorry.. I'm sorry, I'm really sorry..
That wasn't what I wanted to hear...
tap
The story about Sang-Hoon?



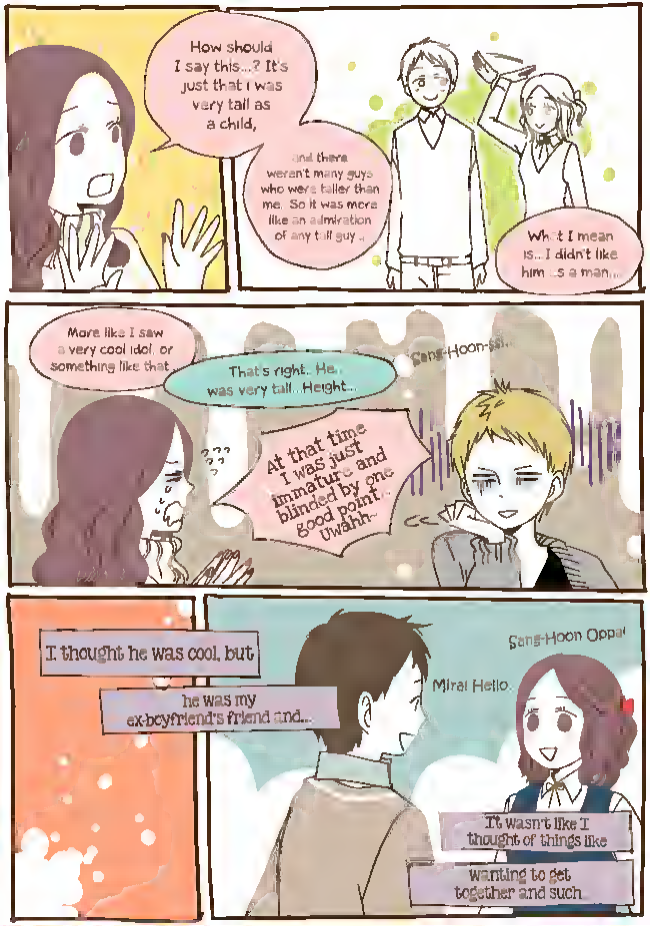
Well ..
I know it's rude of me to force you to answer,
but since I heard it, I'm curious.
...I...am...sorry...
To be honest, I feel like digging my own grave, but...
Then I won't say it.
Say it, anything!
sigh
About Sang-Hoon
I knew him since high school
Spring, 8 years ago...
Hey-



Do you want to go out with me?
Since I was young...
I felt that if I had a boyfriend,
I'd feel proud of myself.
More importantly, since it was spring,
Yes, okay...
was how I answered.
And so I expected it would be a blossoming spring romance...
But for some reason...
The flower didn't bloom.
Do I really like him?
So I ended the relationship.

And I learned something.
Meeting just anyone doesn't mean anything It's not good for me or for him
Reflecting...
I should have a romance with all my heart with a person that I love with all my heart
I wasn't young, I was just being immature, really...
I thought that my blooming spring was still far away .
That's what I thought until one day .
pass

The flower fully bloomed...
pop
pop
He's tall...
Oh?!
...You...
...and then died immediately.
You're XX's girlfriend, right? I'm his friend, Kim Sahn-Hoon.
I saw you in a picture.
Aha...
Haha
Well...That was our first meeting.
It's been...8 years, so...You must have loved him for a very long time.
nom
Ah, No!! No, that'S not right!!



How should I say this...? It's just that I was very tall as a child,
...and there weren't many guys who were taller than me. So it was more like an admiration of any tall guy...
What I mean is... I didn't like him ...s a man...
More like I saw a very cool idol, or something like that
That's right. He was very tall...Height...
Sang-Hoon-ssi...
At that time I was just immature and blinded by one good point... Uwahh~
I thought he was cool, but
he was my ex-boyfriend's friend and...
Sang-Hoon Oppa!
Mira! Hello.
It wasn't like I thought of things like
wanting to get together and such

Just like that, we stayed as friends who sometimes talked together.

And then, around the time Sang-Hoon returned from military training.

Mira!

(TN: In Korean Guys must serve in the military for at least 2 years. It's a duty as a Korean)

Hahaha ?? Oppa it's so obvious that you're fresh out of the army! Chestnut head!!

I'm not a soldier anymore ??

Haha ha

Ha Ha

Mira, you became prettier.

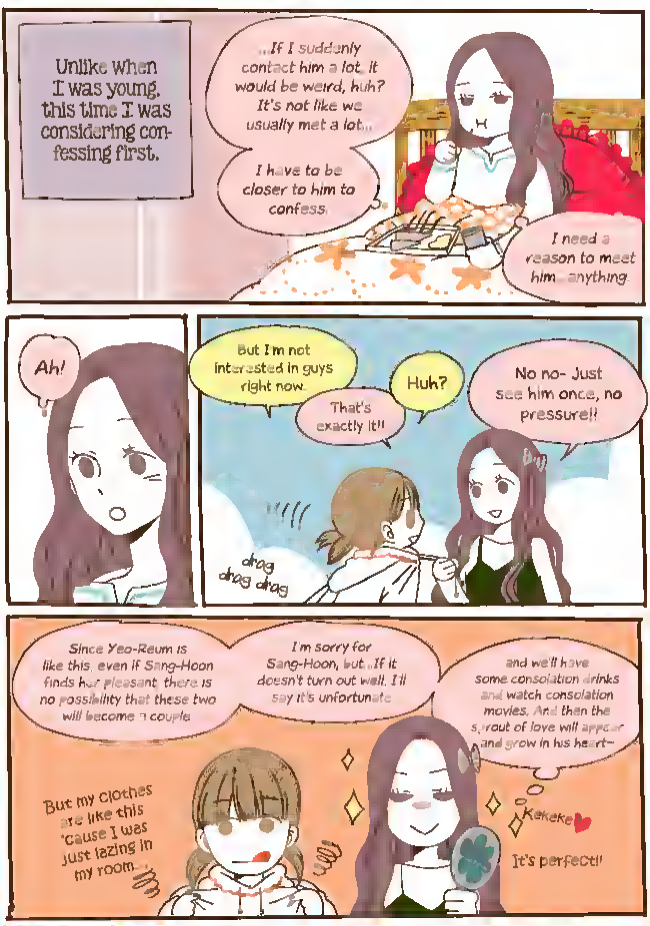
Pop!

You've became a lady now, a lady~

(TN: He's called Chestnut Head because of his short spiky hair looks like how chestnuts look with their spiny burr outside.)

Once again the flower bloomed. Pop! Pop!!

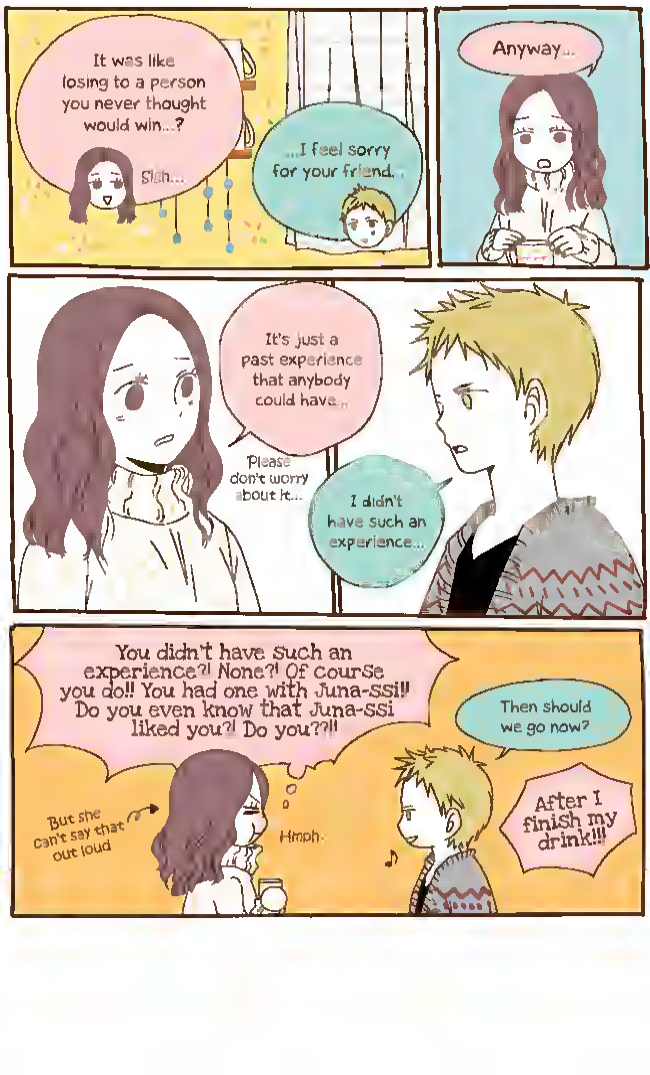
Am I..the type that falls in love easily ?



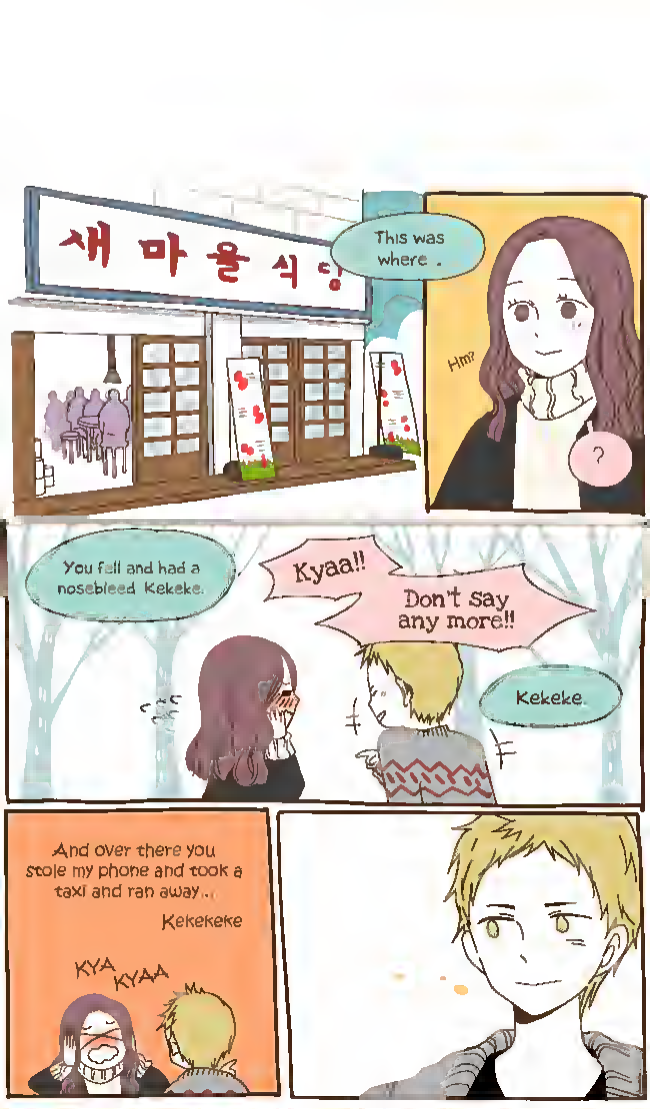
Unlike when I was young, this time I was considering confessing first.
...If I suddenly contact him a lot, it would be weird, huh? It's not like we usually met a lot...
I have to be closer to him to confess.
I need a reason to meet him...anything.
Ah!
But I'm not interested in guys right now.
Huh?
That's exactly it!!
No no- Just see him once, no pressure!!
drag drag drag
Since Yeo-Reum is like this, even if Sang-Hoon finds her pleasant, there is no possibility that these two will become a couple.
I'm sorry for Sang-Hoon, but...If it doesn't turn out well, I'll say it's unfortunate.
and we'll have some consolation drinks and watch consolation movies. And then the sprout of love will appear and grow in his heart~
But my clothes are like this 'cause I was just lazing in my room...
Kekeke
It's perfect!!

We had a nice time...
Soon I'll hear that things didn't turn out well!
Were you born earlier in the year than me? Then I'll speak informally.
Hey-!!
Haha
Sure lol
...was what I thought.
Hey Mira!
TN : Korean people speak differently to people older than them – maphers
Huh? Huh? Why, what's wrong??
Is it time for the consolation?
Hahaha
I am going out with Yeo-Reum now.
It's all thanks to you-
What...

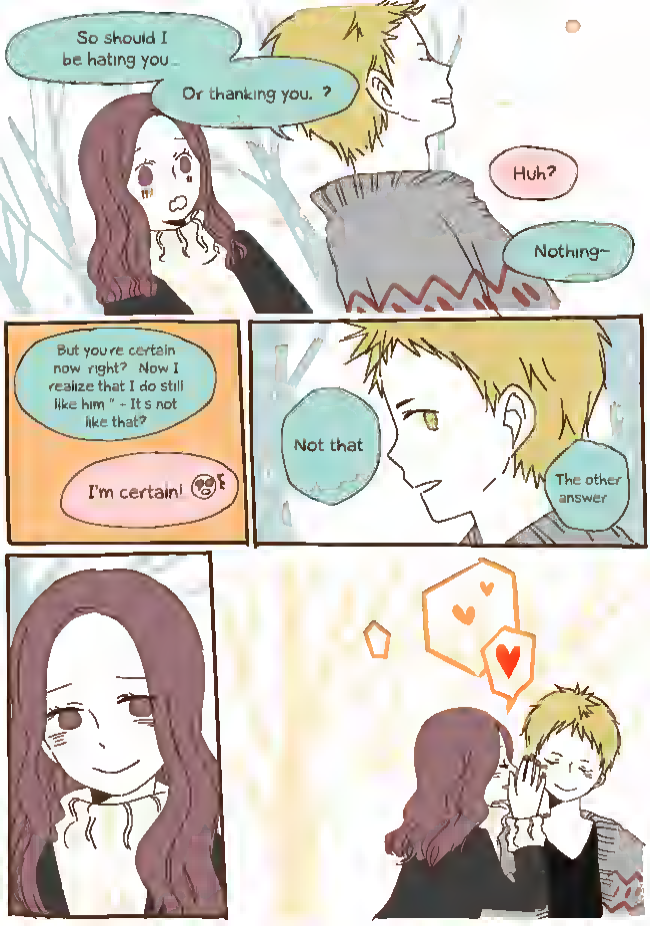
WHAT...?!?!?
HA
HA
HA
HA
I should ask her out on a date
whistle
whistle
You said you aren't interested in guys right now?
I THOUGHT IT'D BE OKAY IF IT'S SANG-HOON!!!
kekeke
It was retribution... Retribution for using my friend...
And in the end that's what happened...
If I think about it now, the shock I received then was more the shock of losing something you valued rather than a heartbreak
or the shock of a well-planned project turning out to be a failure.
Are you saying that because I'm here...?
No!! No way!! It's truly, really true!



It was like losing to a person you never thought would win...?
Sigh...
...I feel sorry for your friend...
Anyway...
It's just a past experience that anybody could have...
Please don't worry about it...
I didn't have such an experience...
You didn't have such an experience?! None?! Of course you do!! You had one with Juna-ssi!! Do you even know that Juna-ssi liked you?! Do you??!!
But she can't say that out loud
Hmph.
Then should we go now?
After I finish my drink!!!



새마을식당
This was where .
Hm?
?
You fell and had a nosebleed. Kekeke.
Kyaa!!
Don't say any more!!
Kekeke.
And over there you stole my phone and took a taxi and ran away..
Kekekeke
KYA KYAA



So should I be hating you...
Or thanking you. ?
Huh?
Nothing~
But you're certain now right? Now I realize that I do still like him " - It's not like that?
I'm certain!
Not that
The other answer

My girlfriend said it's her first time in a real relationship
I should go slow, right? She'll be uncomfortable otherwise
Whatever you say
Hm!
Hm!

I held hands with him!!!
what will be next?? Hug?? kiss??
What are you doing?
Ahhh Pyung-Hwa-Ss~

Not that... You shouldn't., But since when??
It's been a year, maybe?
It's been that long!
I was even wearing a ring, didn't you see??
I didn't know. I never saw you wear it!!
Well, I do take it off during work...
I'm amazed that you didn't know. Haha.
*TN: In Korea, couples may wear couple rings to signify their relationship. Does not indicate marriage.
Now, let's work, work!
Blank
My gosh..
11 A.M...

When it gets close to lunch time, customers crowd in.

Because there are only two of us to work until the other employees come,

Su-Neung!
You, did you know that Sun-Oh has a girlfriend?
What? Yes, I knew. Haha
What... Why didn't you tell me?!!
Eh? Nuna, you didn't know?

Oh yes, Sun-Oh-ssi!
Yesterday I met Sun Oh ssi's girlfriend at the supermarket. Hohoho

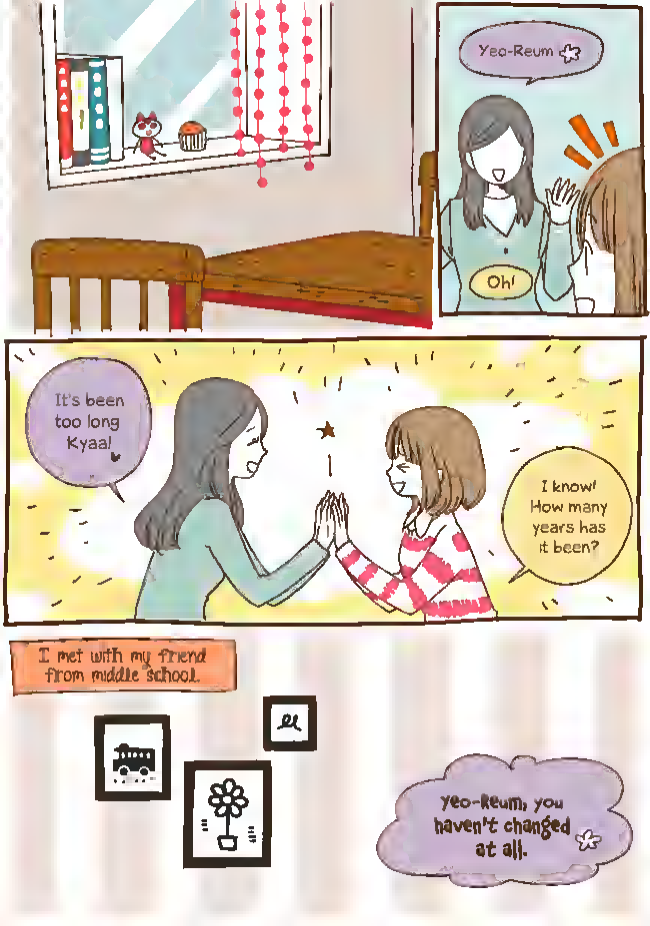
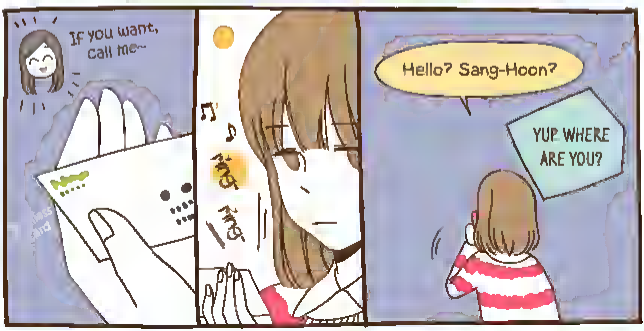
THE STORY OF SOMEONE WE KNOW
아는사람 이야기
Ep. 50. Suggestion. Encouragement. Lamentation.



Yeo-Reum
Oh!
It's been too long Kyaa!
I know! How many years has it been?
I met with my friend from middle school.
yeo-reum, you haven't changed at all.

So what are you doing these days?
As I expected.
It's not like I feel embarrassed or uncomfortable to say that
I dont have a proper job and am working part-time.
I work part-time at a café...??
I serve things and make drinks~
Huh? Ah Is that so?
It's just that,
When the atmosphere becomes awkward because of my answer, I feel a little bitter inside...

Hey, Yeo-Reum
?
Do you want to attend a job interview at my company?
Huh? What?
But I'm doing a part-time job now...?
But you're not going to do that forever...
Ah... That...Um...
The company I work for is great~
No...It's...
Even though I said I wasn't ashamed,
to confidently say things like...
"No. I am waiting for my dream. Thank you for your consideration, but no thanks."
In this situation,
I can't say that



If you want, call me~
Hello? Sang-Hoon?
YUP WHERE ARE YOU?

I'm on my way home.
IS THAT SO. DID YOU HAVE FUN MEETING YOUR FRIEND?
Yup.. You're working overtime again?
TURNS OUT, YEAH.
But Sang-Hoon...
Does the fact that I... look like I'm just irresponsibly playing around bother you a little as well?
Is the fact that I don't have a proper job and am doing part-time jobs something to be embarrassed about...?
. . . . .
SOMETHING HAPPENED WHEN YOU MET YOUR FRIEND, HUH
Sigh
I DON'T THINK LIKE THAT..

BECAUSE YOU ARE NOT IRRESPONSIBLY PLAYING AROUND.
BESIDES, YOUR CURRENT JOB CAN BECOME A BENEFIT TO YOU LATER ON.
AND I'M SURE THAT ONE DAY, YOU'LL BE ABLE TO GET A GOOD JOB DOING SOMETHING THAT YOU REALLY LIKE.
SO THERE'S NO NEED TO BE HASTY.
...Okay.
...It's strange...
Perhaps it's because I was so upset. but I didn't feel anything from Sang-Hoon's words.
Ahh~ I don't know, I don't know
I feel depressed~
CHEER UP!!
Maybe it's because of some psychological jealousy thing like "But you're already working at a good workplace!"

How long are you going to continue this job..?

Why do you suddenly ask..?

You're doing this because you like it...
squeak
You know, this is the second time you've asked me this—Haha
Haha..
The tone of the question might be a little different though
That's right— I'm an full-time employee
But there isn't a lot of difference

When I was in high school,
because I liked coffee so much,
it was fun studying anything related to coffee.
I used to always confidently tell everyone I met that I would become a barista
You wait and see! I am going to become a barista!
Uhaha.
Haha
Whatever you say.
But then, when I became an adult and started doing my dream job...
Hey! Nam Sun-Oh!
Strangely, my voice grew smaller
What are you doing these days?
Recommending selecting beans at 5am.

At first, even if the café I was working in was small, or my pay was low, I thought I had nothing to be ashamed about.

But then, the moment I said,

"I work in a café."

The other person's look - Well, you know..

...Ah... Is that so...?

The look you get when someone asks you, "How are your parents?" and they hear, "They both passed away..." as an answer.

Their looks turn into some apologetic expression for poking at someone's pain.

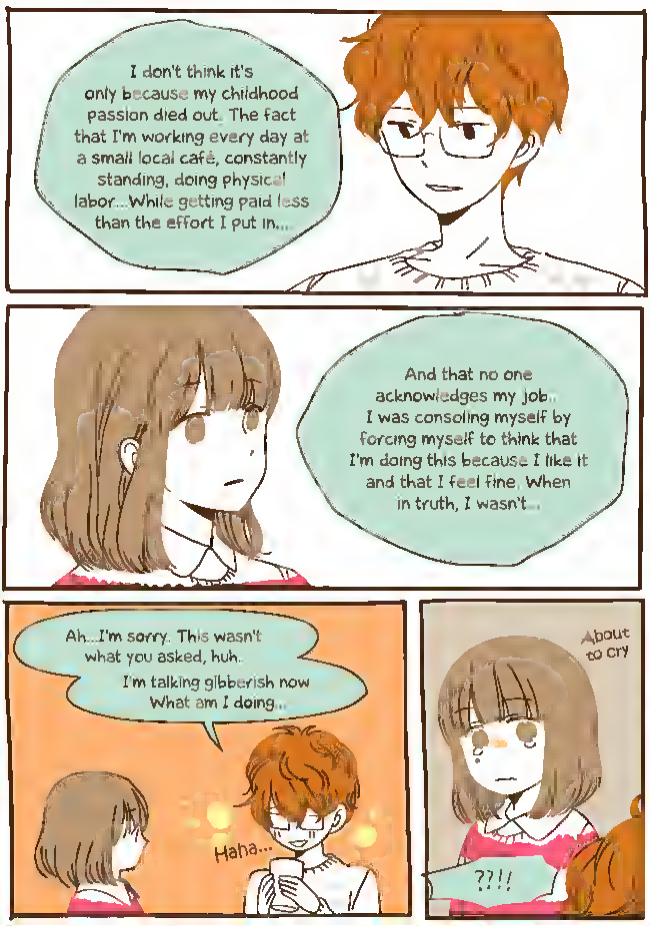
To be honest, I felt dumbfounded. So what? Why? Is working at a café shameful? Is it something I should be embarrassed about?

Why do you have to make me out to be someone pitiful...?

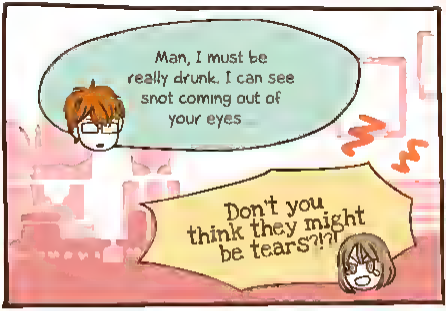
But at that moment, when I usually would have confidently said,

"I am satisfied with my future! I have no regrets about this job!"

I couldn't say anything.



I don't think it's only because my childhood passion died out. The fact that I'm working every day at a small local café, constantly standing, doing physical labor... While getting paid less than the effort I put in...
And that no one acknowledges my job... I was consoling myself by forcing myself to think that I'm doing this because I like it and that I feel fine. When in truth, I wasn't...
Ah... I'm sorry. This wasn't what you asked, huh.
I'm talking gibberish now What am I doing...
Haha...
About to cry
??!!



It was amazing..

More than my friend's polite suggestion, more than Sang-Hoon's sincere encouragement,

Nam Sun-Oh's lamentation that contained no consolation, consoled me.

Ah This It's similar to that
Here, blow your nose
The feeling you get when you thought you were the only one who didn't do the homework, and you realize there's another kid like you

THE STORY OF SOMEONE WE KNOW

아는사람 이야기

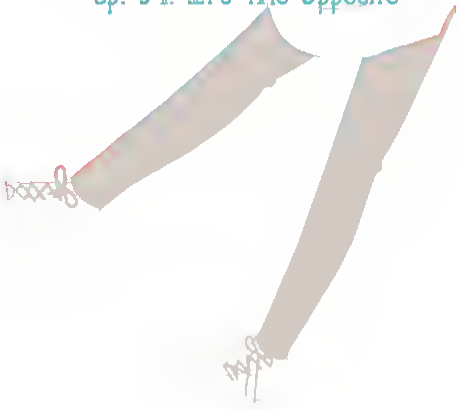
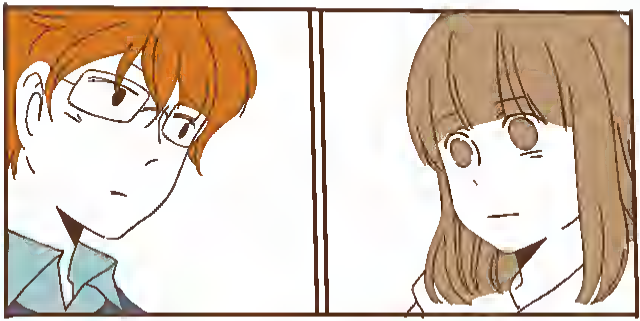
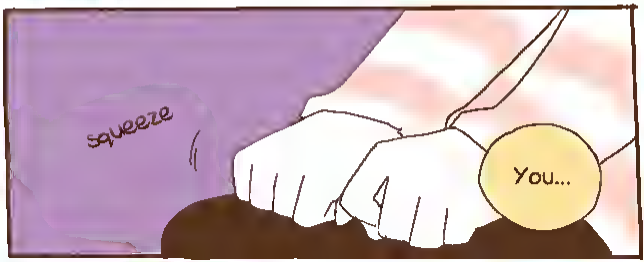
Ep. 59. It's the Opposite



You...are you quitting because of me...?

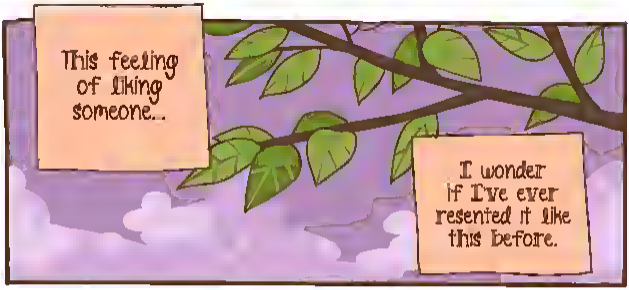




Are you stupid?
Of course not!
...Really?
I don't even know how you thought of that...Haha.
You
seem to be avoiding me lately.

Whenever I talk to you, you seem disinterested...
Even when I joke around, you get all serious and push me away...
On top of all that,
you suddenly said you've quitting...
Of course I would think that way
I thought maybe you just hated me that much

To be honest,
I was
a bit sad.
Yeah.
It would've been better
if I could do that.
I want to be able to hate you.



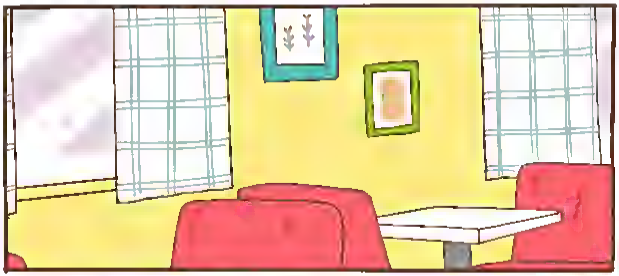
I keep pushing down my feelings that try to come out.

I was enduring it and trying so hard...
You don't know how I feel at all
You stupid Nam Sun-Oh
So you're really quitting, huh...
Even though I didn't treat you very well before

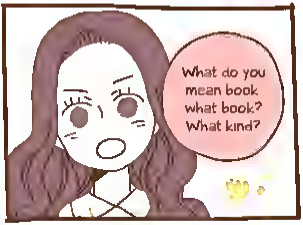
You.
don't hate me that much,
please?
Why-
Why do you keep saying these kinds of things_?

Ah-
Really..!
Hey ω
H-Hey!
What's wrong?
It's not true.
That's not it.
I dont hate you.
...I don't...
hate you.

It's the opposite

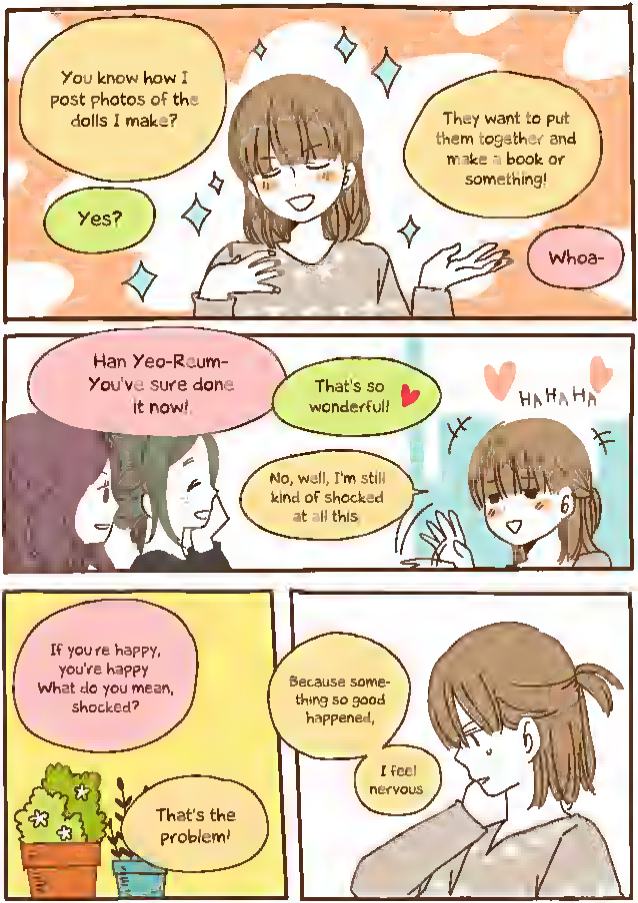


A BOOK??



What do you mean book what book? What kind?

Wow! I'm so excited!

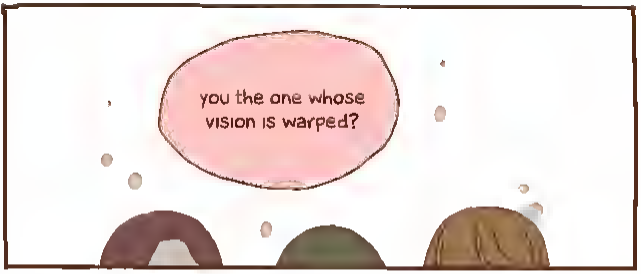


You know how I post photos of the dolls I make?
Yes?
They want to put them together and make a book or something!
Whoa-
Han Yeo-Reum- You've sure done it now!
That's so wonderful!
No, well, I'm still kind of shocked at all this
HAHAHA
If you're happy, you're happy What do you mean, shocked?
That's the problem!
Because something so good happened,
I feel nervous

They were photos and posts that I uploaded for fun...
Anyone can do that.
But for that to be made into a book,
it feels too good to be true.
It feels like I'm being spoon-fed.
I don't think that's true.
Huh...?
Yeo-Reum, you said anyone could do that,
when actually, not many people can do it as regularly as you do...
And you're not being spoon-fed, either.
To design something, to order the fabric,
to cut, stitch, take photos, organize them and upload the pictures,

all these things that you have done so much
have slowly built up to this.
I think it's more like all the work you've done is finally being recognized.
I'm touched...
Besides, so what if you're being spoon-fed?
Luck is a skill too you know!
That's right! Haha! Your mom would like the news very much
I haven't told her yet
Why?

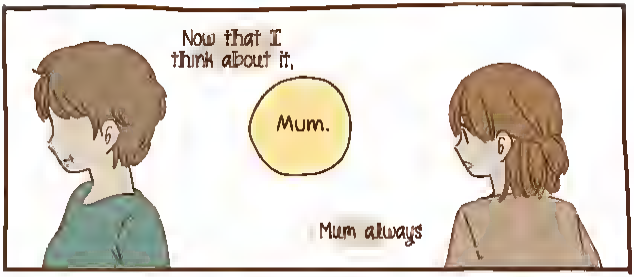
Because she's always disappointed in everything I do And that includes my dolls
Even if I tell her I'm publishing a book she won't like it..
Ehh- No way!
I'm serious!
My mum always sees me in a bad way, you know..?
Whenever I get home as soon as our eyes meet, she goes back to her room
as if she doesn't want to see my face
It's so depressing that I purposely go home as late as possible
Um
But aren't, .



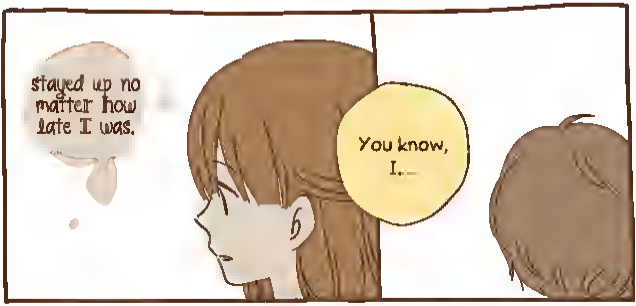
you the one whose vision is warped?

I'm home
beep
What do you mean, my vision is warped?
Go sleep.

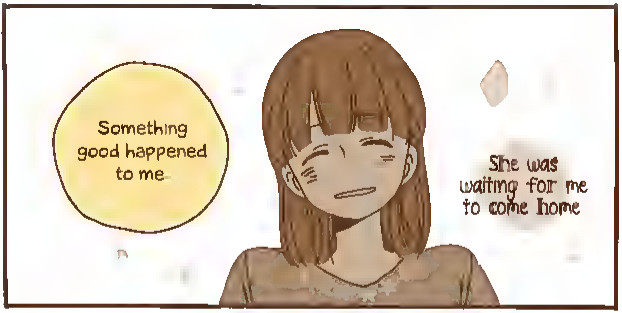
"I don't think it's because she doesn't want to see your face."



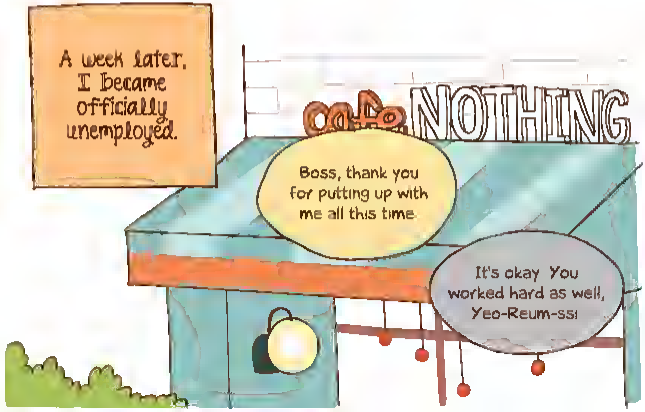
"It's because she sees your face."



that she is relieved and can go back to sleep, don't you think?

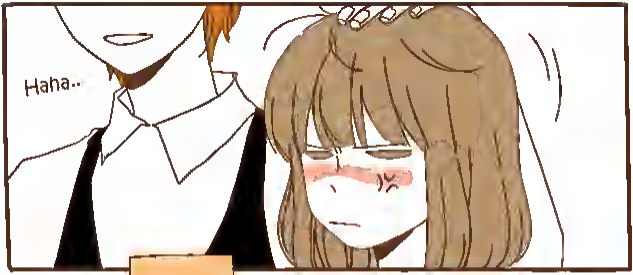


Something good happened to me
She was waiting for me to come home



A week later, I became officially unemployed.
NOTHING
Boss, thank you for putting up with me all this time
It's okay You worked hard as well, Yeo-Reum-ss!

Nu_Nuna...
You should visit often with Sang-Hoon Hyung, okay~?
So that's you're motive, huh?
That's right
PAT
I'll make you the best coffee- so come hang out sometime
MOVE IT!
I don't want to



That day,

I confessed.

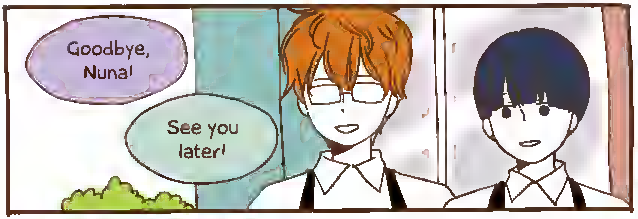
It's the opposite

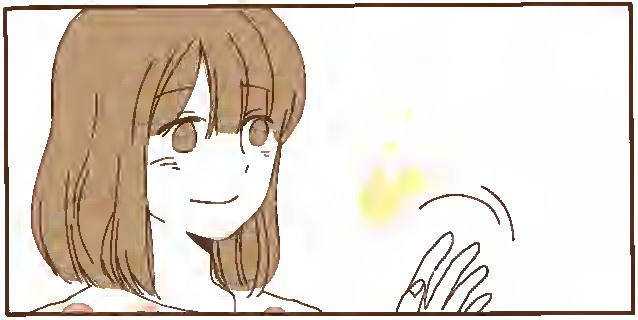
. . . . . .
Opposite...
. . . . . .
Opposite of what?
I...
About you...

I don't hate you.
What's up with that? Haha You've already said that
Yeah... Well...
What's there to cry about?
I guess I'm just sad now that I'm going to quit my job...
Stop crying!
Haha
Are you dumb?
The café.
Soo-Neung...
Boss...

Even you...

I loved so much.





That was as much of a confession as I could do.

I will never go to see you again.

THE STORY OF SOMEONE WE KNOW

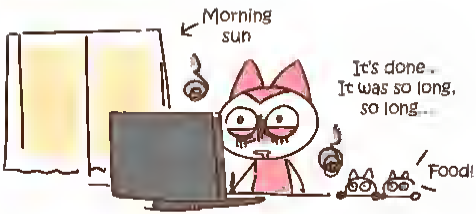
아는사람 이야기

<Afterword>

Hello everyone, I'm Omyo!
After a year and 2 months, Story of Someone We Know is finally complete.

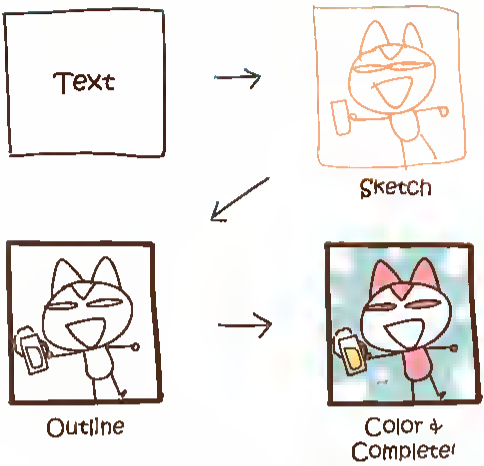


It was a 60-chapter manhwa, which I guess could be short, but it was the first long-series manhwa I've drawn.

I still can't believe that it's over.

Hm, now then, let's have a Q&A where I will answer your most frequently asked questions.

Q. I'm curious about your drawing process.



I use the drawing software, SAI.

Q. Is this a true story?

I hope you think of it as what the title says.

Q: Didn't you finish it too soon?

I did have some episodes I wanted to add while I was working on the main story.

- A story from the male characters' perspective
- The story of Jung-Ah and Lala's owner
- Jung-Sang's epilogue
- The story of Sun-Oh and his girl-friend
- The story of Sang-Hoon and Yeo-reum's first dates

But as I planned from the start, I thought it'd be best to finish with a clean ending as soon as Yeo-Reum's episode ended.

Q: Any news on the book...?

I think the second volume will be on sale around the time this afterword is up.

I hope you like it.

Q. You're character is cute, are you cute as well?

NO.

And I can't draw like this...

Q: What's the name of this text font?

It's my handwriting.

(TN: She handwrites her text in the manhwa. Obviously we use a font in the scanlation.)

Q. Season 2??

It's not planned.

Q: Your drawing style has changed a lot since your "Best Challenge" times.

Challenge Manhwa

← Best Challenge

← Official Manhwa

I don't think there was a big increase in my drawing skill. It was probably more a matter of my determination...During my Challenge manhwa times, it was just drawn as a warm-up so the text was small and blurry T_T It was drawn really lazily, so I ended up having to draw the first chapter 3 times - I should have drawn it well from the start...Dark times...

Q. What are your plans after the completion of this manhwa?

...Not really...(maybe a little)

I'll return my beastly body back to human form...

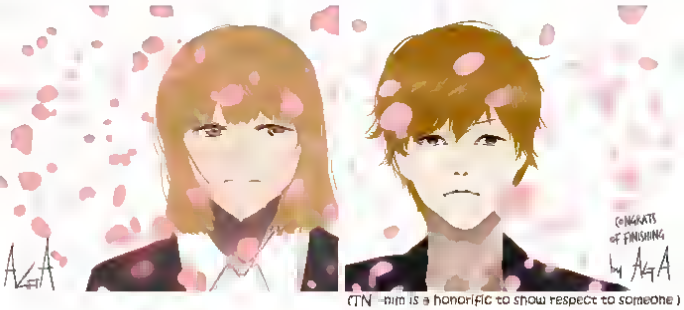
Go travelling. Prepare for my next project.

I will return as soon as I can.

< End of Q&A >

It's strange.
I had so many things to write in the afterword, but now that I'm writing it I can't actually think of anything.

In that case...
Let's admire the fan art!!



(TN: -nim is a honorific to show respect to someone)
